

Welcome to Class 6L!

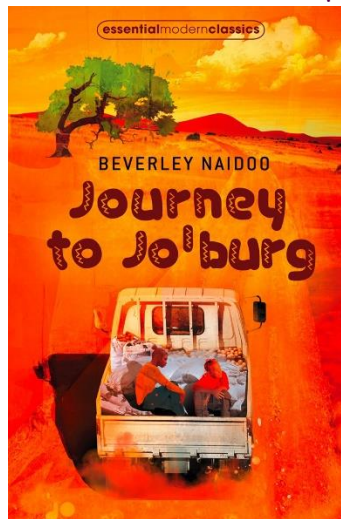

Welcome to our page!

We have lots of exciting learning ahead of us this year. Our first term's topic is The Tudors 'Tales from a Tudor Garden' – with a focus on how it was a time of great change for England. I cannot wait to immerse you children in this period of history! We shall be tying this in to as many different subjects so that your learning is as interesting as possible. Our study text will be Macbeth, and we will be enjoying Shakespeare's fantastic imagination and enjoying the spookiness of the Weird Sisters as it gets closer to Halloween and as the dark nights draw in!

During spring term, we will be studying 'Journey to Jo'burg' and looking at segregation and discrimination. Our topic changes to 'The New World' as we start to look at North America and how it was settled, we will be increasing our geography skills learning about the different climates involved and how this impacted on people then and now. We will finish off learning about the War of Independence, which links nicely with our after half-term topic - 'Vive La France' where we will be looking at French history and geography.

Our last topic 'Children of the Revolution' brings us right back into our locality as we explore how Scunthorpe has changed since Victorian times! We will be using census records and old maps to delve into our past and compare how life was for children then to now. You won't believe how much things have changed!

As Year 6s, it is very important that you keep up with your learning and revision as you near the end of KS2, please remember to use Spelling Shed to practise your weekly spellings, Maths Shed and TT Rockstars to get yourself up on that leaderboard, Read Theory and SPAG.com. Log-ins have been posted on Class Dojo if you have forgotten your log in details.

I also highly recommend Grammarsaurus on Youtube for very catchy songs to help with SPAG - we've enjoyed a few in class already!

Our PE days are Wednesday and Friday so remember to come in the correct kit.

I look forward to a fantastic year with you!

Miss Lunson 😊
