Department
for Education

Created by

This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make

additional and sustainable

improvements to the quality of the PE, School Sport and Physical Activity (PESSPA)

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
 - Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

Sports Premium Funding Overview

Total carry over (22/23)	£0
Total amount allocated	£17,430.00
Total amount spent	£17,352.76

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Get Ahead membership package.	All pupils.	<p>3. The profile of PE and sport is raised across the school as a tool for whole school improvement.</p> <p>4. Broader experience of a range of sports and activities offered to all pupils.</p> <p>5. Increased participation in competitive.</p>	The opportunity to be involved in local community events and physical activity opportunities. Partnerships developed and CPD opportunities given.	£5060
Purchase and implement 'Get Set 4 PE' scheme.	Teachers and pupils.	<p>1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.</p> <p>2. Engagement of all pupils in regular physical activity.</p> <p>3. The profile of PE and sport is raised across the school as a tool for whole school improvement.</p>	PE is now planned and delivered using Get Set 4 PE, which provides high quality lesson planning and CPD for all teachers. Planning is progressive from Year 3-6, ensuring that skills are built upon each lesson and prior learning is revised frequently.	£370

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	<i>Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.</i>
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	<i>Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024</i>

<p>What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?</p>	<p>%</p>	<p><i>Use this text box to give further context behind the percentage.</i></p>
<p>If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?</p>	<p>Yes/No</p>	
<p>Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?</p>	<p>Yes/No</p>
